

McGrath Breast Care Nurse

RND1 Grade 5

Grampians Integrated Cancer Services

Fixed Term - Full Time

(80 hrs per fortnight with ADO) until 30 June 2013

Position No: 73763

The McGrath Foundation seeks to enable an increased number of people diagnosed with breast cancer in Australia, especially those in rural and regional areas, to access nurses with specialist breast care skills and training.

Grampians Integrated Cancer Service is funded by the McGrath Foundation to provide two Breast Care Nurse positions based in Ballarat.

The Nurse will work with the existing McGrath Foundation Breast Care Nurse to support breast cancer patients referred from across the public and private health sectors.

The successful applicant must be a Registered Nurse with significant post registration experience in either surgical or medical oncology, with previous experience and qualifications as a breast care nurse.

As well as the above, the successful applicant will have demonstrated project management experience, organisational and planning skills, a demonstrated ability to work with a multidisciplinary team, high level verbal and written communications and interpersonal skills and the demonstrated ability to deliver quality patient care, counselling and TQM.

The position is fixed term until 30 June 2013, with extension dependant upon future funding arrangements.

For further information contact Bridget Wislang, Manager Grampians Integrated Cancer Service on 5320 6728 or 0438 582 642

Applications close Wednesday 30 November 2011

For further details and to apply, please go to our website at www.bhs.org.au and click on 'Career'.

All appointments are subject to satisfactory clearance of a current Police Record Check.
